Sweetheart

I hope you and the kiddies are all
right, and please don't worry. You know
I can't write letters dear but I know
you will think this is the best
letter you have ever received.
Well dear we arrived at Woodside today
at 12 o'clock and we have just finished
getting our tents ready it is just 8-30
The Capt. told us today that we
haven't got much chance to get off
this week end so just keep on loving me
till I see you next week end.
Give all the kiddies a big kiss for me
and tell them daddy is thinking
about them, and you know I think
of you all the time. Sweetheart.
Well love the mols making a noise and
I can't think to write so I will write more
next time.

hoping you still love me and
don't worry. Yours ever and ever

Dear Sweetheart,

This is the letter I have often longed to write to you, one which spying eyes would not see, they don't censor the letters now which are addressed to D. S. I have often wanted to write and express my feelings and my love for you honey but when you have someone else reading it also well you just don't like writing it not that I am ashamed of it but it is something sacred to us darling and we will not share it with anyone ever will we dear

My love for you, as far back as when I first met you darling has never altered and never will as you know, and the mere fact that I have never had anything to do with another woman proves it, I am not writing this because you don't believe me sweetheart but I just feel like writing it and because when I think of the steps I know that have been out with other woman it makes me proud of myself not that I am proud of anything to be proud of, but I just couldn't be with anyone else but you and feel happy.

I was only going to write about you when I started love but I am talking about myself, so excuse me dear I adore you darling and always will as a woman you are wonderful and as a mother and a wife you are everything one could desire, I can see in the future years darling when our children will say, yes

2.
that is my mum isn't she wonderful, as I am writing this darling I am coping so must stay for awhile, it is something I can not explain, make it is because I can just picture how happy we should be home together only or me being so damn selfish, and the happiness you should be enjoying and richly deserve, you are so wonderful dear - could write a book on it if only I could word it the right way

You are far too easy with me money and too good to me but if you have never enjoyed happiness you will when I get home, my lifes work it is going to be my darling to make you enjoy every minute of your life and my dear children also they are all lovely and may God bless them and make them all as lovely as their mother and as successful in married life as you have done, I wont say you picked the wrong one to have poneses money because I know you would not agree with me but I do think you could have got someone a bit better, but I am very thankful that you never. because I am the happiest man in the world when I am home with you

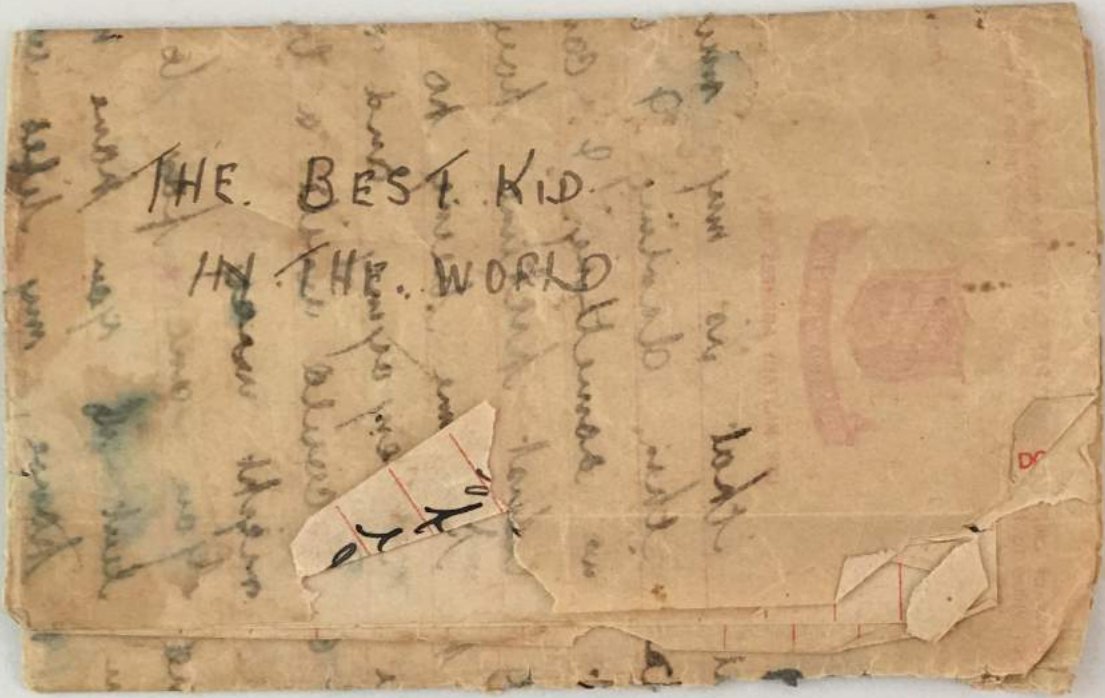

Having you darling is something I want to do forever so I hope you like this letter dear and believe every word of it and now I will say cheerio and may God keep us well so we can love each other forever.
