WESTERN AUSTRALIAN WAR MEMORIALS FREMANTLE WAR MEMORIAL

The Fremantle War Memorial is located in the Monument Hill Memorial Reserve at the corner of High and Bateman Streets, Fremantle. The Memorial's inscription reads:

Fallen Sailors and Soldiers Memorial (west face)
 Gallipoli (south face)
 Flanders (east face)
 Palestine (north face)

Sons of Fremantle

"The Memorial is the first Australian object that will meet the eyes of travellers coming from the westward and it will sever for all times as a dignified, silent, and reverent reminder of the stress and strain through which the peoples of the Empire were called upon to pass, as well as a standing Memorial to the Sons of Fremantle and its Districts who gave all they had, even to life itself, in service of their country"

Dr J S Battye 1928

Lest We Forget

Unveiled by Mayor of Fremantle, Dr Brad Pettit Nov 11, 2010

The Memorial lists 849 Roll Sailors, Soldiers and Merchant Seamen who lived in the greater Fremantle area, embarked at Fremantle and never returned. The Roll is also available on the City of Fremantle Website as the 849 Roll.

Places of Association from the Australian War Memorial (AWM) Roll of Honour other than for Fremantle, East Fremantle, North Fremantle and South Fremantle are shown. Further biographical and Service information for each Sailor, Soldier or Merchant Seaman may be found on the National Archives of Australia, the AWM and the Commonwealth Graves Commission Websites.

This document can be searched by text. Sailors' and Soldiers' names not listed on the WA State War Memorial are shown [in blue](#).
